

## Dear Marintec China Participants

China Experience is ready to meet your traveling needs at Marintec China 2011. We have selected three good hotels based on location, comfort and price. In addition we can book your flight tickets and arrange airport transfer service.

Experience shows that different clients have different needs. This is the reason why we do not provide a fixed itinerary for Marintec 2011. Instead will be pleased to make a tailored program matching your needs.
